

## **Climate Change: Fact or Fraud pt 2**

Who is in charge who is **Lord** who is **king** who is **master** of life & planet earth-**man or God**? *Pr 23:23 Buy truth, and do not sell it, Get wisdom and instruction and understanding.*

*John1:1 In the beginning was the Word, and the Word was with God, and the Word was God. 2 He was in the beginning with God. 3 All things came into being by Him, and apart from Him nothing came into being that has come into being. 4 In Him was life, and the life was the light of men. 5 And the light shines in the darkness, and the darkness did not comprehend it. 14 And the Word became flesh, and dwelt among us, and we beheld His glory, glory as of the only begotten from the Father, full of grace and truth.*

*Colossians 1:17 He is before all things, & in Him all things hold together--are established-facts of creation lining up w/ each other to support the thing created.*

*John 8:44b...the devil...does not stand in the truth, because there is no truth in him. Whenever he speaks a lie, he speaks from his own nature; for he is a liar, & the father of lies. "Once for all I have sworn by My holiness, My vow, I cannot lie*

*2Thes 2:7 For the mystery of lawlessness is already at work; only he who now restrains will do so until he is taken out of the way. 8 And then that lawless one will be revealed whom the Lord will slay with the breath of His mouth & bring to an end by the appearance of His coming; 9 that is, the one whose coming is in accord with the activity of Satan, with all power and signs and lying wonders, 10 and with all the deception of wickedness for those who perish, because they did not receive the love of the truth so as to be saved. 11 And for this reason God will send upon them a deluding influence so that they might believe what is false, 12 in order that they all may be judged who did not believe the truth, but took pleasure in wickedness.*

*2Tim 3:1 But realize this, that in the last days difficult times will come. 2 For men will be lovers of self, lovers of money, boastful, arrogant, revilers, disobedient to parents, ungrateful, unholy, 3 unloving, irreconcilable, malicious gossips, without self-control, brutal, haters of good, 4 treacherous, reckless, conceited, lovers of pleasure rather than lovers of God; 5 holding to a form of godliness, although they have denied its power; and avoid such men as these.*

**People take issue w/ the message--we get push-back when pointing out lies, sins, corruption in world & those in **high positions**--yet we are called to sound the alarm when evil & error are accepted as normal & right (**woke culture**)** John the Baptist called out King Herod for seducing his brothers' wife *Mk 6:17 For Herod himself had ordered that John be arrested and bound and imprisoned, on account of his brother Philip's wife Herodias, whom Herod had married. 18 For John had been telling Herod, "It is not lawful for you to have your brother's wife!" 19 So Herodias held a grudge against John & wanted to kill him.*

Jesus called Herod a **fox** Lk 13:32 feminine form—loss of manliness

When it comes to the fraud of **climate change-global warming** a tool to control your life & lives of those on planet earth we must speak out.

*International scientists have jointly signed a declaration dismissing the existence of a climate crisis & insisting that carbon dioxide is beneficial to Earth. “There is no climate emergency,” the Global Climate Intelligence Group (CLINTEL) said in its World Climate Declaration, made public in August. “Climate science should be less political, while climate policies should be more scientific. Scientists should openly address uncertainties and exaggerations in their predictions of global warming, while politicians should dispassionately count the real costs as well as the imagined benefits of their policy measures.” A total of 1,609 scientists and professionals from around the world have signed the declaration, including 321 from the United States. The coalition pointed out that Earth’s climate has varied as long as it has existed, with the planet experiencing several cold and warm phases. The Little Ice Age only ended as recently as 1850, they said. “Therefore, it is no surprise that we now are experiencing a period of warming,” the declaration said. Warming is happening “far slower” than predicted by the Intergovernmental Panel on Climate Change.*

*The global warming narrative argues that as people burn fossil fuels, they emit higher concentrations of carbon dioxide into the earth’s atmosphere, which creates a “greenhouse effect,” trapping the sun’s radiation and warming the earth.*

But global warming models fail to take into account, according a phenomenon called “**saturation**,” or the diminishing effect of CO2 in the atmosphere at higher concentrations.

The current concentrations of CO2, around 400 parts per million (**416 ppm today**), it decreases the radiation to space by about 30 percent, **compared to what you would have if you took it all away**,” enough to cause quite a bit of warming of the earth, and thank God for that; it helps make the earth habitable, along with the effects of water vapor and clouds. Evaporation, condensation, precipitation, collection **Pic** **greenhouse PPMv Co2**

Double CO2 from 400 to 800 will take a long time, you decrease radiation to space only **1 percent**--how hard it is for additional carbon dioxide to make a difference to the radiation to space. That's what's called saturation, and it's been well-known for 100 years." 'The 'greenhouse effect'; of additional CO2 doesn't increase in proportion to the amount of CO2 added.

Why is global warming exaggerated w/ large discrepancies between global warming models and actual observations. *The data has been disingenuously manipulated to fit the climate change narrative.*

Example is the temperature record," records published 20 years ago in United States warmest years mid-1930s. **Pic** **heat waves in 30's** Data today is no longer true. People in charge reduced the temperatures of the 30's & increased the more recent temperature.

A graph created by the EPA titled **Pic** **Record Warm Daily Temperatures Are Occurring More Often**, An example of misleading data to support theory of global warming. EPA chart does not show 'daily temperatures instead shows a 'ratio' which appears to create the impression temperatures are steadily rising. *Figures don't lie but liars sure can figure*

By contrast, decades ago scientists presented a table that indicates significantly higher temperatures in the 1930s than today. **Pic** **of 30's temp** These data indicate that heat waves were more severe in the 1930s than today. (Source: EPA before numbers manipulated).

The so-called Scientific 'Consensus' for Climate Change--Proponents of global Warming say it's "**settled science**" nearly all scientists agree global warming is a real result of human activity. **NASA statement—97 percent—agree that humans are causing global warming and climate change.**

**Cornell University** states “ 99.9% of peer-reviewed scientific papers agree that climate change is mainly caused by humans. But According to consensus in published literature cited by Cornell University, some experts say that academic publications routinely reject any submissions that question the global warming narrative.

But consensus is not science & never has been--**Jesus by consensus was put on the cross** ‘When it disagrees w/ experiment or observation--it’s wrong.’

**“Science has never been made by consensus,” “The way you decide something is true in science is you compare it with experiment or observations.**

“It doesn’t matter if there’s a consensus. It doesn’t matter if a Nobe Prize winner says it’s true; if it disagrees with observations, it’s wrong. Climate models clearly are wrong because they don’t agree w/ observations.”

**“Consensus is the business of politics.”**

“Science, on the contrary, requires only **one** investigator who happens to be right, which means that he or she has results that are verifiable by reference to the real world,” “In science, consensus is irrelevant. What are relevant are reproducible results.”

Initial predictions of climate disasters had New York flooded by now, no ice left at the North Pole, England would be like Siberia by now. Nothing that they predicted actually came true. They say it to keep the money coming— Now changed ‘global warming’ to ‘climate change.’ Warning, crisis, emergency

**Hawaii** according to global warning predictions should have disappeared according to their models or at least Tantillus should be beach front property **But pictures of Hawaii 1900’s & 2000 & today**

Climate is a self-regulating process & that more clouds form when temperatures rise, resulting in a compensatory cooling effect.

**“We are totally awash in pseudoscience.”** the population has been brainwashed into thinking this is an existential threat to the planet. People don’t have the background to know they are being deceived, but they are being deceived.”

World Bank September 2022 \$31.7 billion that fiscal year to help countries address climate change. United States is projected to spend about \$500 billion to fight climate change over the next decade. **Instead fix the roads**

**Rom 1:22 KJV Professing themselves to be wise, they became fools, 2Thes 2:9b...And Satan, with all power & signs & lying wonders, 10 and with all the deception of wickedness for those who perish, because they did not receive the love of the truth so as to be saved. 11 And for this reason God will send upon them a deluding influence so that they might believe what is false, 12 in order that they all may be judged who did not believe the truth but took pleasure in wickedness**

**Satan uses fear to control—tyrants do the same but God does the opposite**

**2Tim 1:7 NKJ For God has not given us a spirit of fear, but of power and of love and of a sound mind.**

**Rom 8:15 For you have not received a spirit of slavery leading to fear again, but you have received a spirit of adoption as sons by which we cry out, “Abba! Father!”**

**2Tim 3:1-5 1But realize this, that in the last days difficult times will come. 2 For men will be lovers of self, lovers of money, boastful, arrogant, revilers, disobedient to parents, ungrateful, unholy, 3 unloving, irreconcilable, malicious gossips, without self-control, brutal, haters of good, 4 treacherous, reckless, conceited, lovers of pleasure rather than lovers of God; 5 holding to a form of godliness, although they have denied its power; and avoid such men as these.**

**Matt 24:33 even so you too, when you see all these things, recognize that He is near, right at the door. 34 “Truly I say to you, this generation will not pass away until all these things take place. 35 “Heaven and earth will pass away, but My words shall not pass away.**

**2 Peter 3:7 But by His word the present heavens and earth are being reserved for fire, kept for the day of judgment and destruction of ungodly men.**

**Galatians 5:1 It was for freedom that Christ set us free; therefore keep standing firm and do not be subject again to a yoke of slavery.**
